Radbrook Green Surgery Newsletter

Most of you are now aware, after 26 years of service here at the Practice, our lovely Dr Nigel Russell is planning to leave us on 31st December.

He and his wife are moving to Shetland where they will be able to enjoy some beautiful scenery and peace and quiet.

He will be sadly missed by all of his patients and work colleagues here and it will be very strange not to feel his presence in the building.

Many of you have already sent cards to him and we are aware that lots of you would still like to say goodbye personally.

Dr Russell will be attending the Friends of Radbrook Green Christmas Party on Wednesday 5th December at 7.30pm here at the surgery and you are all very welcome to join us.

*Merry Christmas from the Patient Participation Group/

*Please join us here at the surgery on Wednesday 5th December for
our annual Christmas party—all welcome!*
